Save More with a Network Dentist

Advantage Plus

United Concordia's large, nationwide dentist network, combined with our knowledge of local markets, means you can find affordable, quality care with great service no matter where you live.

What Is a Network Dentist?

Network dentists agree to accept United Concordia's discounted fees as payment in full for covered services. Non-network dentists can charge you more. This means you'll lower your out-of-pocket expense using a network dentist.

You can still receive care from any licensed dentist. But your benefits may differ and your out-of-pocket costs could be higher with a non-network dentist. Using a network dentist maximizes your dental benefits because they:

SAVE MONEY—A network dentist saves you the difference between our negotiated fees and the dentist's regular charges. And, you stretch your benefit dollars by getting more services before reaching your annual maximum.

Accident Insurance

can pay you money for covered accidental injuries and their treatment.

How does it work?

Accident Insurance can pay a set benefit amount based on the type of injury you have and the type of treatment you need. It covers accidents that occur on and off the job. And it includes a range of incidents, from common injuries to more serious events.

Why is this coverage so valuable?

- It can help you with out-of-pocket costs that your medical plan doesn't cover, like co-pays and deductibles.
- You're guaranteed base coverage, without answering health questions.
- The cost is conveniently deducted from your paycheck.
- You can keep your coverage if you change jobs or retire. You'll be billed directly.

What's included?

Be Well Benefit

Every year, each family member who has Accident coverage can also receive \$50 for getting a covered Be Well Benefit screening test, such as:

- Annual exams by a physician include sports physicals, well-child visits, dental and vision exams
- Screenings for cancer, including pap smear, colonoscopy
- Cardiovascular function screenings
- Screenings for cholesterol and diabetes
- Imaging studies, including chest X-ray, mammography
- Immunizations including HPV, MMR, tetanus, influenza

Text #StaffscapesInc2020 to 45037 for information.

Who can get coverage?

You	If you're actively at work*
Your spouse	Can get coverage as long as you have purchased coverage for yourself.
Your children	Dependent children from birth until their 26th birthday, regardless of marital or student status.

*Employees must be legally authorized to work in the United States and actively working at a U.S. location to receive coverage. Spouses and dependent children must reside in the United States to receive coverage.

How much does it cost?

Your monthly premium	Plan 1
You	\$10.52
You and your spouse	\$18.67
You and your children	\$24.14
Family	\$32.29

Active employment: You are considered in active employment if, on the day you apply for coverage, you are being paid regularly for the required minimum hours each week and you are performing the material and substantial duties of your regular occupation. Insurance coverage will be delayed if you are not in active employment because of an injury, sickness, temporary layoff, or leave of absence on the date that insurance would otherwise become effective. New employees have a day waiting period to be eligible for coverage. Please contact your plan administrator to confirm your eligibility date. If enrolling, and eligible for Medicare (age 65+; or disabled) the Guide to Health Insurance for People with Medicare is available at www.medicare.gov/Pubs/pdf/02110-Medicare-Medigap.guide.pdf

Critical Illness Insurance

can pay money directly to you when you're diagnosed with certain serious illnesses.

How does it work?

If you're diagnosed with an illness that is covered by this insurance, you can receive a lump sum benefit payment. You can use the money however you want.

Why is this coverage so valuable?

- The money can help you pay out-of-pocket medical expenses, like co-pays and deductibles.
- You can use this coverage more than once.
Even after you receive a payout for one illness, you're still covered for the remaining conditions and for the reoccurrence of any critical illness with the exception of skin cancer. The reoccurrence benefit pays 100% of your coverage amount. Diagnoses must be at least 180 days apart or the conditions can't be related to each other.

What's covered?

Critical illnesses	
<ul style="list-style-type: none"> • Heart attack • Stroke • Major organ failure • End-stage kidney failure 	<ul style="list-style-type: none"> • Coronary artery disease Major (50%): Coronary artery bypass graft or valve replacement • Minor (10%): Balloon angioplasty or stent placement
Cancer conditions	
<ul style="list-style-type: none"> • Invasive cancer — all breast cancer is considered invasive 	<ul style="list-style-type: none"> • Non-invasive cancer (25%) • Skin cancer — \$500
Progressive diseases	Supplemental conditions
<ul style="list-style-type: none"> • Amyotrophic Lateral Sclerosis (ALS) • Dementia, including Alzheimer's disease • Multiple Sclerosis (MS) • Parkinson's disease • Functional loss 	<ul style="list-style-type: none"> • Loss of sight, hearing or speech • Benign brain tumor • Coma • Permanent Paralysis • Occupational HIV, Hepatitis B, C or D • Infectious Diseases (25%)

Why should I buy coverage now?

- It's more affordable when you buy it through your employer and the premiums are conveniently deducted from your paycheck.
- If you apply during your initial enrollment, you can get coverage without a health exam or medical questions.
- Coverage is portable. You may take the coverage with you if you leave the company or retire. You'll be billed at home.

Be Well Benefit

Every year, each family member who has Critical Illness coverage can also receive \$50 for getting a covered Be Well Benefit screening test, such as:

- Annual exams by a physician include sports physicals, well-child visits, dental and vision exams
- Screenings for cancer, including pap smear, colonoscopy
- Cardiovascular function screenings
- Screenings for cholesterol and diabetes
- Imaging studies, including chest X-ray, mammography
- Screenings for cholesterol and diabetes
- Imaging studies, including chest X-ray, mammography
- Immunizations including HPV, MMR, tetanus, influenza

Who can get coverage?

You:	Choose from \$10,000 to \$20,000 of coverage in increments of \$5,000 with no medical questions if you apply during this enrollment.
Your spouse:	Spouses can get 50% of the employee coverage amount as long as you have purchased coverage for yourself.
Your children:	Children from live birth to age 26 are automatically covered at no extra cost. Their coverage amount is 50% of yours. They are covered for all the same illnesses plus these specific childhood conditions: cerebral palsy, cleft lip or palate, cystic fibrosis, Down syndrome and spina bifida. The diagnosis must occur after the child's coverage effective date.

Active employment: You are considered in active employment if, on the day you apply for coverage, you are being paid regularly for the required minimum hours each week and you are performing the material and substantial duties of your regular occupation. Insurance coverage will be delayed if you are not in active employment because of an injury, sickness, temporary layoff, or leave of absence on the date that insurance would otherwise become effective. New employees have a day waiting period to be eligible for coverage. Please contact your plan administrator to confirm your eligibility date.

If enrolling, and eligible for Medicare (age 65+; or disabled) the Guide to Health Insurance for People with Medicare is available at www.medicare.gov/Pubs/pdf/02110-Medicare-Medigap.guide.pdf. Please refer to the certificate for complete definitions about these covered conditions. Coverage may vary by state. See exclusions and limitations.

Exclusions and limitations

Active employee

You are considered in active employment, if on the day you apply for coverage, you are being paid regularly by StaffScapes, Inc for the required minimum hours each week and you are performing the material and substantial duties of your regular occupation.

Delayed effective date of coverage

Insurance coverage will be delayed if you are not an active employee because of an injury, sickness, temporary layoff, or leave of absence on the date that insurance would otherwise become effective.

- You are limited from performing the material and substantial duties of your regular occupation; and
- You have a 20% or more loss in weekly earnings

You must be under the regular care of a physician in order to be considered disabled.

The loss of a professional or occupational license or certification does not, in itself, constitute disability.

"Substantial and material acts" means the important tasks, functions and operations generally required by employers from those engaged in your usual occupation that cannot be reasonably omitted or modified. Unless the policy specifies otherwise, as part of the disability claims evaluation process, Unum will evaluate your occupation based on how it is normally performed in the national economy, not how work is performed for a specific employer, at a specific location or in a specific region.

Pre-existing conditions

You have a pre-existing condition if:

- You received medical treatment, consultation, care or services including diagnostic measures for the condition, or took prescribed drugs or medicines for it in the 3 months just prior to your effective date of coverage; and

Your disability benefit may be reduced by deductible sources of income and any earnings you have while you are disabled, including such items as group disability benefits or other amounts you receive or are entitled to receive:

- Workers' compensation or similar occupational benefit laws
- State compulsory benefit laws
- Automobile liability insurance policy
- Motor vehicle insurance policy or plan
- No fault motor vehicle plan
- Legal judgments and settlements
- Salary continuation or sick leave plans, if applicable
- Other group or association disability programs or insurance
- Social Security or similar governmental programs

- Active participation in a riot;
- Loss of a professional license, occupational license or certification;
- Commission of a crime for which you have been convicted;

Your plan will not cover a disability due to war, declared, or undeclared, or any act of war.

Unum will not pay a benefit for any period of disability during which you are incarcerated.

Termination of coverage

Your coverage under the policy ends on the earliest of the following:

- The date the policy or plan is cancelled
- The date you no longer are in an eligible group
- The date your eligible group is no longer covered
- The last day of the period for which you made any required contributions
- The last day you are in active employment except as provided under the covered layoff or leave of absence provision.

Unum will provide coverage for a payable claim that occurs while you are covered under the policy or plan.

This information is not intended to be a complete description of the insurance coverage available. The policy or its provisions may vary or be unavailable in some states. Term Life and Accidental Death & Dismemberment (AD&D) Insurance can provide money for your family if you die or are diagnosed with a terminal illness.

Employee Funded

How does it work?

You choose the amount of coverage that's right for you, and you keep coverage for a set period of time, or "term." If you die during that term, the money can help your family pay for basic living expenses, final arrangements, tuition and more.

AD&D Insurance is also available, which pays a benefit if you survive an accident but have certain serious injuries. It pays an additional amount if you die from a covered accident.

Why is this coverage so valuable?

If you initially purchased coverage, you can increase it up to \$100,000 to meet your growing needs—with no health questions or exams.

What else is included?

A "Living" Benefit

If you are diagnosed with a terminal illness with less than 12 months to live, you can request 100% of your life insurance benefit (up to \$250,000) while you are still living. This amount will be taken out of the death benefit, and may be taxable.

Waiver of premium

Your cost may be waived if you are totally disabled for a period of time.

Portability

You may be able to keep coverage if you leave the company, retire or change the number of hours you work.

Employees or dependents who have a sickness or injury having a material effect on life expectancy at the time their group coverage ends are not eligible for portability.

Who can get Term Life coverage?

If you are actively at work at least 30 hours per week, you may apply for coverage for:

You	Choose from \$10,000 to \$500,000 in \$10,000 increments, up to 5 times your earnings. If you previously purchased coverage, you can increase it up to \$100,000, your guaranteed issue amount, with no health questions. If you previously declined coverage, you may have to answer some health questions.
Your Spouse	Get up to \$500,000 of coverage in \$5,000 increments. Spouse coverage cannot exceed 100% of the coverage amount you purchase for yourself. If you previously purchased coverage for your spouse, they can increase their coverage up to \$25,000, their guaranteed issue amount, with no health questions or exams, if eligible (see delayed effective date). If you previously declined spouse coverage, some health questions may be required.
Your Children	Get up to \$10,000 of coverage in \$2,000 increments if eligible (see delayed effective date). One policy covers all of your children until their 19th birthday – or until their 26th birthday if they are full-time students. The maximum benefit for children live birth to 6 months is \$1,000.

Who can get Accidental Death & Dismemberment (AD&D) coverage?

You	Get up to \$500,000 of AD&D coverage for yourself in \$10,000 increments to a maximum of 5 times your earnings.
Your Spouse	Get up to \$500,000 of AD&D coverage for your spouse in \$5,000 increments, if eligible (see delayed effective date).
Your Children	Get up to \$10,000 of coverage for your children in \$2,000 increments if eligible (see delayed effective date).

No questions or health exams required for AD&D coverage. Delayed Effective Date: If your spouse or child has a serious injury, sickness, or disorder, or is confined, their coverage may not take effect. Payment of premium does not guarantee coverage. Please refer to your policy contract or see your plan administrator for an explanation of the delayed effective date provision that applies to your plan.

Being actively at work means on the day the employee applies for coverage, the individual must be working at one of his/her company's business locations; or the individual must be working at a location where he/she is required to represent the company. If applying for coverage on a day that is not a scheduled workday, the employee will be considered actively at work as of his/her last scheduled workday. Employees are not considered actively at work if they are on a leave of absence or lay off.

An unmarried handicapped dependent child who becomes handicapped prior to the child's attainment age of 26 may be eligible for benefits. Please see your plan administrator for details on eligibility.

Employees must be U.S. citizens or legally authorized to work in the U.S. to receive coverage. Spouses and dependents must live in the U.S. to receive coverage.

Employees must be actively employed in the United States with the Employer to receive coverage. Employees must be insured under the plan for spouses and dependents to be eligible for coverage.

Exclusions and limitations

AD&D specific exclusions and limitations:

Flexible Spending Account

General Plan Information

- Your plan year information is available through StaffScapes benefits department.
- Expenses must be incurred during the plan year and receipts must reflect actual Date of Services rendered.
- Each employee must use the amount in the flexible spending account by the end of the plan year or lose it. The "use it or lose it" rule means that employees cannot take cash at the end of the year for amount not used.
- Funds remaining at the end of each plan year may not be rolled over to the next year. These funds will be used to offset expenses for the plan.
- 90 days are allowed beyond the end of the plan year to request reimbursement of any funds remaining in your account. LATE CLAIMS WILL NOT BE CONSIDERED. Mailed claims must be postmarked by the last day of the 90-day grace period to be accepted.
- Upon termination of employment, eligibility for the 125 plan also terminates. Reimbursements for expenses incurred during the time of employment may be requested through the 90 days following the termination date. You may be eligible to elect Flex COBRA in order to continue your Flex Plan. Please consult StaffScapes Benefits Department for further information.
- The opportunity to participate in the plan is given at the beginning of the plan year, or when you become eligible upon employment. It may not be changed during the plan year unless there is a qualifying event, per IRS regulations, such as the employee's marriage or divorce, birth or adoption of a child of the employee, change in daycare provider, death of an employees spouse or dependent, termination or drastic change in hours of employment of the employee or the employee's spouse.
- Because social security is now based on your reduced (adjusted) gross income, those benefits, when you become eligible for them, could be reduced.

Medical Expense Account Information

- Only medical expenses may be reimbursed through the medical expense account.
- Out-of-pocket medical expenses include those services incurred by other family members (spouse and dependents) in addition to the participant.
- Medical expenses may not be reimbursed under any other plan.
- If utilizing the medical expense reimbursement through Flex, those dollars allocated cannot apply toward a medical deduction (7.5% of gross income) for your income taxes.
- The maximum allowed for the medical expense account is \$2,500.00 per year.

- Receipts are required for the medical expense account reimbursement. (If expenses are covered through your health plan, they should be submitted to your insurance carrier). You may attach an explanation of benefits statement from your insurance carrier, which shows the date(s) of service, etc. or a receipt. Please note that receipts must show the DATE OF SERVICE (within the current plan year), DESCRIPTION OF SERVICE, AND PAYMENT FOR EACH SERVICE. Check copies or receipts alone are not acceptable.

Dependent Care Expense Account Information

- Only dependent care expenses may be reimbursed through the dependent care expense account.
- Dependent care expenses include day care expenses for dependents under the age of 13 and/or care for the elderly. Expenses for dependent care are eligible if it allows you to work. The Dependent Care account can only be used for daycare or before/after-school care. Definition of Qualified Dependent Care Expenses

1. Qualified Dependent Care Expenses generally are expenses which you incur with respect to a Qualified Dependent, which will enable you to be able to work for the Company.
2. Under the Dependent Care Assistance Plan, a person will be treated as your "Qualified Dependent" if the person is a member of your household and is either a dependent of yours who is under the age of 13, for whom you are entitled to an exemption on your personal Federal tax return, or the person is your spouse or your dependent and is physically or mentally incapable of caring for himself or herself.
3. Included within the category of Qualified Dependent Care Expenses are expenses for household services and expenses for the care of a Qualified Dependent which are incurred in order to enable you to be employed at the company. If the expenses are incurred for services performed outside of your household, they will only be treated as Qualified Dependent Care Expense if the Qualified Dependent on whose behalf the services are performed either is under the age of 13 or regularly spends at least eight (8) hours per day in your household.
4. Expenses incurred with respect to a day care center will be treated as a Qualified Dependent Care Expenses under the Dependent Care Assistance Plan only if the day care center (i) complies with all applicable state and local government laws and regulations, (ii) provides care for more than six (6) persons (other than persons who reside at the day care center), and (iii) receives a fee, payment or grant for providing services.
5. Expenses which are paid to related individuals may be reimbursed, subject to the following special limits. Under the Dependent Care Assistance Plan, no reimbursement will be made for any expense which would otherwise be a Qualified Dependent Care Expense if you pay such expense (i) to your child who is either under the age 19 or who is a full time student, or (ii) to any other person for whom you (or your spouse) is entitled to an exemption on your personal federal income tax return.
6. Expenses paid for sending a Qualified Dependent to overnight camp are not treated as Qualified Dependent Care Expenses.
7. The amount of Qualified Dependent Care Expenses will reduce, dollar-for-dollar, the amount of expenses which are otherwise eligible for the Federal dependent care credit on your federal income tax return.

NOTE: Both you and your spouse must be employed. Childcare expenses will be reimbursed only after services are rendered.

Flexible Benefits Plan: Frequently Asked Questions

What is Flexible Spending?

It is a tax savings method of accumulating monies that you spend during the "Plan Year" on eligible expenses. The "Plan Year" is defined as a 12-month calendar year.

How will the Flexible Benefits Plan save tax dollars?

The monies accumulated in your flexible spending account will not be reported as earned income. There will be no taxes on this money and the tax savings will appear as increased take home pay. See Example.

What happens to my Flex Dollars?

Let's assume you'll spend \$5000.00 over a 52-week period for childcare (as in the prior example). Each week for 52 weeks we will credit your childcare account for \$96.15. On a monthly basis, you submit a receipt for paid childcare, and we will send you a check for the amount of the receipt as long as services have been rendered and the amount does not exceed the balance in your Flexible Spending Account for childcare.

What if I have monies left in my account at the end of the plan Year?

In the Tax Reform Act of 1986, the IRS ruled that eligible expenses may only be taken in the Plan Year and you must submit receipts for reimbursement. All receipts must be for services received after your enrollment date in the Cafeteria Plan. Only estimate eligible expenses that you feel you can supply receipts for in the Plan Year. If you do not supply receipts, you will forfeit any monies in your account. All receipts must be dated prior to the end of the Plan Year (December 31st) and received prior to March 31st of the following year.

What about medical reimbursements?

This is another way to create tax savings by flexing deductibles, examinations, office visits for medical, dental, vision and hearing. Please be sure to provide a copy of any applicable Explanation of Benefits (EOB) forms along with a corresponding receipt.

Will a Flexible Spending Account help me?

Each individual and/or family situation is different - so you must examine your own financial picture. For most taxpayers the flexing of childcare and medical expenses will save tax dollars providing you actually incurred the expense and can furnish paid receipts.

If my employment is terminated, what happens to my Flexible Spending Account?

Your plan year would then end as of your termination date, unless COBRA continuation is elected. If COBRA were not elected, no additional funds would be deposited to your account; however, you still may submit receipts for eligible expenses and receive your reimbursement for the Plan Year. Your receipts must be dated prior to the date of termination and received within 90 days of that termination.
